WE BELIEVE

... the Bible is the inspired and only infallible and authoritative Word of God.

... there is one God, eternally existent in three persons: God the Father, God the Son, and God the Holy Ghost.

... in the deity of our Lord Jesus Christ in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His personal future return to this earth in power and glory to rule a thousand years. ... in the Blessed Hope—the Rapture of the Church at Christ's coming.

... the only means of being cleansed from sin is through repentance and faith in the precious blood of Christ.

... regeneration by the Holy Spirit is absolutely essential for personal salvation.

... the redemptive work of Christ on the cross provides healing of the human body in answer to prevailing prayer.

... the baptism of the Holy Spirit, according to Acts 2:4, is given to believers who ask for it.

... in the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy life.

... in the resurrection of both the saved and the lost, the one to everlasting life and the other to everlasting damnation.

Praise-A-Thon Newsletter

Paul Crouch

publish a Faith Center magazine and now with praise to our wonderful Lord and deep appreciation to you, our dear co-partners, we present 'Faith Speaks.' With great joy we now dedicate it as a further extension of the ministries of Faith Center to lift up our blessed Lord and Saviour Jesus Christ. Please pray with us that the Holy Spirit will be pleased to flow through it to bless and minister to millions of needy souls.

Will you help us make this a most fruitful Praise-A-Thon ever in total results for the Kingdom of God? This year we want our Praise-A-Thon to be more—much more—than a gift giving effort. We do not apologize for the fact that gifts are invested in the most effective means of evangelism available to us, namely Spirit Filled TV and radio. And by giving you an opportunity to invest in this ministry, you will also share in the eternal reward. Just this past year of 1972 we estimate that 4000 souls have been won to Christ through KHOF TV and Radio, KIFM in Bakersfield, WHCT TV in Hartford Connecticut, plus numerous other Faith Center evangelism ministries.

Praise God for these victories! But . . .

We want this Resurrection Praise-A-Thon to be a brand new opportunity for us together to participate in a massive soul winning evangelistic thrust!

To this end I am asking you to do three things:

1. Pray at least 15 minutes daily for the Praise-A-Thon from the time you receive

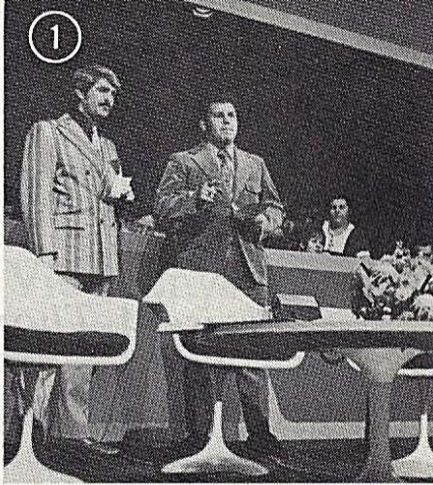

(Cont. on p. 5)

Beloved KHOF co-partners:
Praise God! He is alive forevermore. This will be the glorious theme for our 1973 Resurrection Praise-A-Thon. Plan now to join this celebration of our Saviour's triumphant resurrection from the grave!

April 15 to 21 are the dates to mark on your calendar. Join us on KHOF TV and Radio for special music and guests, special programs and announcements of thrilling new ministry opportunities!

You are actually reading one of our recent Praise-A-Thon projects which is now a blessed reality. We have long wanted to

HE IS ALIVE FOR EVER MORE

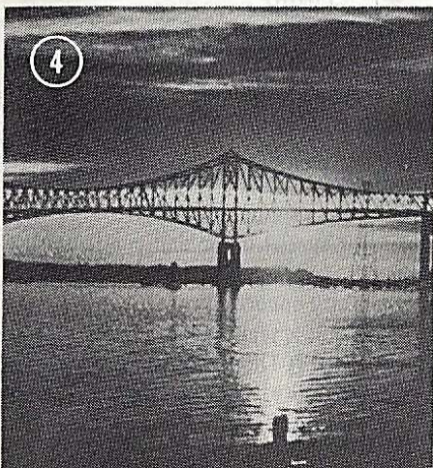

1 We praise God for \$12,000 per month pledged during our 1972 Thanksgiving Praise-A-Thon!

2 Many were saved and healed in answer to prayer during our last Praise-A-Thon.

3 Special music and testimonies make Praise-A-Thon a tremendous experience.

GENUINE MUSTARD SEED KEY RING
 An 18Kt. gold plated token of Christian fellowship.

“If ye have faith as a grain of mustard seed... nothing shall be impossible unto you.”
 Matt. 17:20

During the up coming Resurrection Praise-A-Thon we will be offering this authentic “Mustard Seed” key ring to everyone who phones in. Plan now to “Praise the Lord” with us April 15 to 21 as we proclaim to all of Southern California that *He is Alive Forevermore!* If you are unable to phone in—write in and tell us that you are praying for the Praise-A-Thon. You may also make your Praise-A-Thon pledge by mail if you wish. In any event we will send the “Mustard Seed” key ring to all who call or write.

this letter to the end of the Praise-A-Thon.

2. Call at least 3 unsaved friends or acquaintances and witness to them the saving power of Jesus Christ and invite them to accept Him as their personal Saviour. Also, invite them to tune into the Praise-A-Thon.

3. Call at least 3 other Christian friends and invite them to tune into the Praise-A-Thon.

If hundreds of us will do these three simple things we will see a mighty spiritual revival sweep this Southland which even the worldly media will have to take note of! Will you do it?

Praise God, I believe you will and together we will see miracles accomplished in the name of and for the Glory of our Lord!

He is Alive Forevermore!

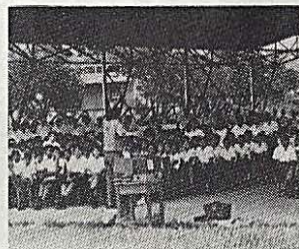

Let's tell it to a tormented dying humanity.

Media expert says church fails to reach TV audiences

An expert in religious communications has declared that church leaders in America are failing to reach the "real target" audiences—those outside the church—through the techniques and media they know and respond to best—principally television.

He also charged church leaders with failing to seek that one "bright hope"—the media professionals—and persuade them to "accept a new and very personal obligation to help spread the good news."

Charles E. Reilly Jr. added that today's religious denominations generally are not communicating Christ's message of salvation and service and are at a loss "to realize that a competent communications capability is essential today.

"Some way must be found to convince them that staffing and financing major multimedia involvement is critical to their future growth and perhaps even their survival," he added.

Dept. of Development

I am glad for the vision I see at Faith Center. We know to Whom we belong. We believe God means what He says, and will accomplish what He has for us. I praise God for Pastor Ray Schoch and our Executive Board that is sensitive to the Holy Spirit. These men are led by the Lord and the Lord increases their capacity to believe Him for the increased vision that He has for Faith Center Global Outreach. As we have believed God, He has given us KHOF-FM, KHOF-TV, KIFM-FM, WHCT-TV, Channel 38, XHMM (Mexico City), and three affiliate stations in Brazil.

Because of the vision we have of using Christian radio and television to evangelize the world, we find the Lord blessing and adding to that vision. Because of our vision we have spritual life. Because of spiritual life we have a greater vision. It seems that each element compliments and completes the other.

We would encourage you to share in our vision. Through the Faith Center Department of Development, we have many ways to assist you in involvement in this ministry. We give suggestions and information concerning a Christian will. We also write several types of charitable trusts that permit you to help in our long range financial development and receive a good income for you for your life. We have revocable trusts that are designed to allow you to participate but may be revoked at your option. These plans are all designed to provide a better than average rate of earnings. If you would like complete information on the types of financial programs we write, please call me at (213) 245-7575 and ask for the Department of Development. If you prefer, please write, Department of Development, 1615 S. Glendale Avenue, Glendale 91205.

God bless you with a greater vision!

In His service,
Gary D. Baker, Director
Department of Development

"Where there is no vision, the people perish." Proverbs 29:18

Most psychologists would agree, that to have a goal or vision is a sign of mental health. In the sense of our relationship with Jesus Christ, the scripture affirms that with no vision, the people perish. Our contiguous generations have seen too much of a church that flounders from lack of vision, and eventually dies because of an anemic and lifeless message, Church dogma and a form of godliness have never, and do not now, meet the spiritual needs of men and women.

What then constitutes a "vision." We believe that the vision referred to in scripture connotes several thoughts. First is relationship. We are the sons of God. God loves us and is concerned for us. God has a plan for the lives of His children. He gives direction as we are sensitive to His Spirit. Then, there is faith. We believe that God will perform what He has promised to do. We don't look at the circumstances of our situation, but we look to our God that has proved His ability to alter circumstances to bring glory to Himself and victory to those who believe.

faith speaks

For thirteen hundred years the dispensation known as the Law, was God's testing period. This era could also be called the "do it yourself" time.

If only one person could have kept the Law then righteousness could come by "do it yourself" and Christ would need not die.

The very death of the Son of God screams to the high heavens

that the Law, according to Paul, was weak through the flesh.

But Christ did die and in His death, resurrection and life, He fulfilled for us all the demands of the Law and thereby ending the "do it yourself" dispensation.

Many books have been written and countless sermons preached on this subject—All you need to do is believe. Here we go right back to "do it yourself." I have many times tried to believe with no results. Other times faith rose up and moved mountains when I least expected. If I could do it myself, I would heal all sick, change all evil circumstance, evangelize the world.

God demanding all glory, grace precluding our inability, God has provided another way.

When Peter and John were instrumental in the healing of the man born crippled, they claimed it was not their goodness but the faith of the Son of God that had performed this miracle.

Paul writing to the Galatians states, "The life I live in the flesh I live by the faith of the Son of God who loved me and gave Himself for me."

John 3 explicitly tells us that the believer and the receiver of the Lord Jesus Christ, is born again and now has become a spiritual being, literally born of the Spirit—God's Spirit.

This spirit being, has spiritual or supernatural capabilities.

Galatians 5:22 lists the supernatural characteristics of the Spirit. One of the fruits or products of the Spirit is (His) faith.

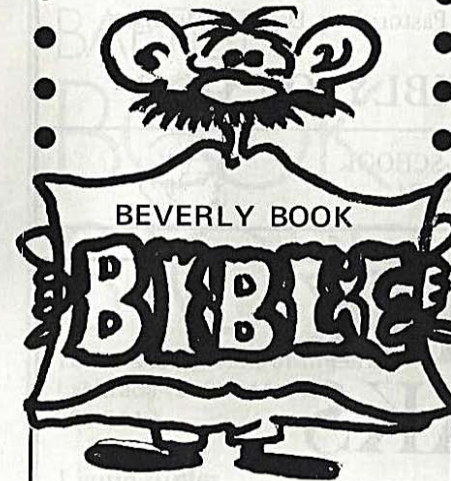

He, God the Spirit, believes through me to His glory; timing and purpose.

How can we be sure that we are using or are being used by His faith?

Through the baptism in the Holy Spirit God has provided the means whereby He, the Holy Spirit prays through us not using our intelligence but as the Spirit gives utterance He, God thereby uses His own faith.

SPREADING the MESSAGE by TELEVISION

The wonderful story of a Pentecostal congregation
that worship in an edifice known as Faith Center, Glendale, Calif.

Written by David J. Du Plessis.

The 25-year history of this congregation of believers must be recorded as ACTS of the Holy Spirit and proof of God's faithfulness. Therefore it is actually HIS STORY. From one development to the other God gave the pastor a vision that seemed impossible to men... BUT GOD.

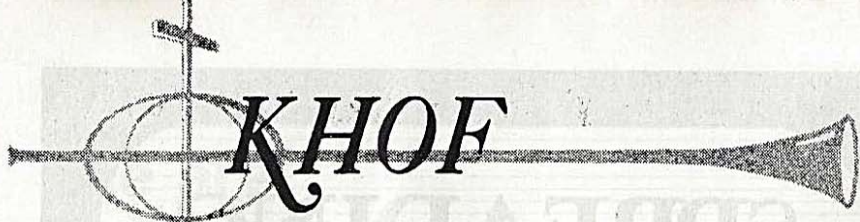

It was in April 1947 that Ray and Ruth Schoch were invited to pastor a small band of 35 Christians that worshipped in a little remodelled bungalow on the corner of Maple and Adams Street in Glendale, California. They named their place of worship "Maple Chapel," but kept their eyes on God and on the whole world as a challenge to bring the Gospel to all creatures. From the very beginning they showed a keen interest in missionary enterprise. This has enabled

them to increase their giving to missions, from \$1000 per year to \$1000 per day in 1971.

Family Camps

This great missionary vision never blinded them to the needs of their immediate neighbourhood and of their own flock. In 1948 they began to have annual family camp meetings in rented properties. These camps brought so much blessing that in 1955 they joined with another Pentecostal Church and purchased their own camp in the mountains at Big Bear. Today Sa-ha-le Camp is used by many other churches and is known as one of the best equipped in the area.

David J. DuPlessis tells about Faith Center

A Christian Day School

"Train up a child in the way he should go, and when he is old he will not depart from it" Pro. 22:6.

In September 1949 Maple Chapel commenced with their Day School using their Sunday School facilities as class rooms. In 1952 they were able to purchase a new property for the growing Kahnack Academy. When they moved to Glendale Avenue in 1964 the school became known as the Glendale Christian School and now takes care of nearly 200 children, including the preschool Day Care Department. It is just wonderful to see all the class rooms packed with children every Sunday morning. BUT with all that there are still millions within a few miles that go to no church. What about them?

A Christian Radio Station

In the early fifties the pastor approached the Board with a vision of a radio station owned and operated by the church. The

(Cont. from p. 31)

good brethren almost cried out in despair ... impossible. Consider missions ... an academy ... camp grounds ... and a clear need for a larger church building. They cannot afford a radio station. BUT GOD ... called upon the pastor to call the people to prayer and to make no financial drive. In the meantime he scouted around to see if he could find a radio station on the market. He discovered equipment that was for sale at a give-away price. When he called the church to "prayer" and said he would accept no money from any member, there were two visiting ladies in the audience. Since they were not members they could give. Before the meeting closed they gave the full amount for the purchase of the equipment. How could anyone object now? God had provided. Now they had equipment, but no experience, no license and no capital ... BUT GOD. Soon it became evident to all that God was taking care of the whole matter. He performed one miracle after another to overcome all obstacles.

Kings Herald of Faith

They decided to adopt KHOF as the call letters for the FM radio station. They needed a high point on which to place the tower for the antenna. They found a hill-top that was free and asked the owner to sell them 5 acres. He adamantly refused and they were compelled to buy the entire hill, on a long term basis. BUT GOD knows the end from the beginning and later it turned out that this was HIS plan to take care of the future needs. At this time Maple Chapel had to rent larger auditoriums for weekend services. They had to rent offices and studios for KHOF FM which had been broadcasting from November 1956, with 16,500 watts power. In 1958 this was increased to 100,000 watts, yet the operation was not yet publicised to reach the full potential audience.

You've heard that greeting each day on Channel 30 or on your FM radio, Monday through Friday week after week. Spreading the Message by TV

(Cont. from p. 33)

Poor Publicity . . . BUT GOD

Suddenly one morning pastor and people and friends were astonished to find KHOF FM mentioned in the headlines of the press, announced by radio reporters and shown by television newscasts. God was using the folly of a man to promote His radio station. A complete stranger to anyone in Maple Chapel had climbed to the top of the tower on top of the hill during the night. He declared that he would stay there until he obtained what he wanted from society. It had nothing to do with Maple Chapel. He sat there for 12 hours and his feat was publicised by all news-media. A week later he repeated this act and thus created even more advertising-free. Now KHOF FM is on the air 24 hours a day and its outreach is phenomenal. It has become the largest commercial FM station in Southern California with a potential audience of over 12 million people. The need for a larger church auditorium, more school rooms, radio studios and office space has become an absolute essential for the growing church.

A Very Strategic Spot

I was with the pastor one day when we were going on one of our many scouting trips to look for a suitable premises for all the needs of their very active congregation. We spotted a "For Sale" sign on the lawn of a beautiful modern three-story building with lots of parking space in the rear. The place was just perfectly situated between the North-South and East-West Freeways. In a few moments people from every direction could reach this place. Pastor Ray Schoch phoned the owners. He was the very first enquirer and so he was promised time to work out a plan. The price seemed prohibitive. BUT GOD had already made provision. When they placed all the land they owned, Maple Church, the school and the major part of the hill on which the FM

tower stood, they found it would cover the almost half-a-million dollars needed. Indeed that mountain which they did not need a few years ago had become the solution to this problem. On August 5, 1964 the local newspaper announced: "The modern three-story building on 71,000 square feet of land on the northwest corner of South Glendale Avenue and Eulalia Street has been acquired from Forest Lawn Memorial Park by Maple Chapel, and will be developed for one of the city's largest church plants."

Immediately one floor was used as a sanctuary, the other for the school and one for offices and studios for KHOF FM and TV. Soon public interest brought such crowds that the place was again too small. The brethren proceeded with building a large two-story auditorium next to the three-story building. December 4, 1966 the new church building seating over 1,000 was dedicated. In the midst of all this the pastor and people were busy working towards the fulfilment of another vision. KHOF FM radio station had become a spiritual and economic success and now they were seeking to strengthen this work by:

An All-Color Television Station

Culminating six years of preparation, this non-profit picture air-lane was erected to follow the pattern of its sister radio station KHOF FM. The transmitter with a power output of 1.25 million watts has its tower 5,000 feet above Los Angeles Valley. It could reach more than 10 million people from San Diego to San Fernando Valley.

This is the first single-church-owned television station in the U S A according to the F C C. KHOF TV, Channel 30, with an original investment of over \$500,000 raised solely by the 25-year-old church complex, with a congregation of about 600, is now broadcasting daily from 3:30 pm to 10 pm.

Spreading the Message by TV

(Cont. from p. 37)

Studios for the 24-hour licensed TV station are located in Faith Center. This one-million-dollar TV station began broadcasting on October 12, 1969 from its transmitter on Sunset Ridge. It would not be possible to tell all the miracles that God performed to bring all this into operation. However, judging by human statistics we may say that the commercial value of all this has increased from Maple Chapel's original \$12,000 to Faith Centre's \$6,000,000. That is 500 times in 25 years. Impossible? ... BUT GOD.

Rev. Ray Schoch, Pastor at Faith Centre

Faith Center Global Ministries

When Maple Chapel Assembly moved from Maple Avenue to 1615 South Glendale Avenue where all operations are now centered, it was clear that they should have a new name. "Faith" was the key to every operation. Missions... schools, radio... television... camp meetings... pastoral ministry... all came out of this one center. Therefore, the only honest and truthful way to describe it was "Faith Center."

Spreading the Message by TV

(Cont. from p. 41)

From this center the outreach with the gospel has become global. Mexico has its first Christian radio station because Faith Centre joined with Christians in Mexico City to acquire XHMM FM, now broadcasting 15 hours daily to a potential audience of more than 6 million souls.

By making the down-payment possible, they have an interest in a three-station outlet in Rio de Janeiro, Brazil, which reaches a potential audience of almost four million, besides those people in Portugal that are reached by shortwave beam to Europe.

During 1971 radio station KIFM in Bakersfield, California, with a power output of 39,000 watts, became an outright "gift" to Faith Centre. With this one mighty thrust of His purpose the Lord increased the potential listening audience by almost one million, in making possible this \$175,000 gift which up to this time was the largest single gift in the history of this church. They can now blanket over 600 cities with the gospel message.

An Amazing Anniversary Gift

To crown all His miracles of 25 years, (1947 to 1972) it now seems the Lord has purposed to surprise the congregation and the world with another seemingly impossible gift of a powerful color TV station, WHCT (Channel 18) in Hartford, Connecticut, which was donated to them by RKO General, Inc. and is valued at over \$2,000,000. As I am writing this report, I have just had a telephone call from Pastor Ray Schoch to confirm the fact that the F C C has granted final approval of this TV station in New England being transferred to be operated by Faith Centre Ministries. When we celebrated the 25th anniversary during May, 1972 the charter members rejoiced that the Lord had actually increased the commercial value of their operations from twelve thousand dollars in 1947 to twelve million dollars in 1972. ■

Faith is . . .

Faith in God is to softly, swiftly close the door on the past with its temptations, memories, blighted dreams, broken hearts—knowing that those things cannot enter our lives again, for we are God's, and He is ours.

Faith is to step into each day with the tread of a conqueror who has never known defeat.

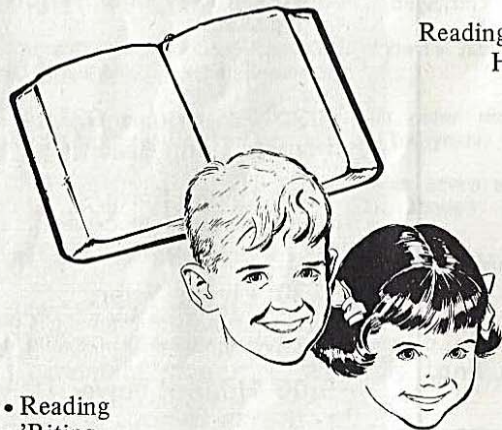

It is to accept each new day as a priceless gift from God, a golden opportunity for love and laughter.

It is to unashamedly take the little things of life before God's throne for an answer.

Faith is to meet our future joyously, believing it to be better than today, infinitely better than yesterday. It is not to wonder at our place in life, remembering that we are joint-heirs with Christ.

Faith comes into full bloom when we face the valley of the shadow of death, with life behind us. It is to fearlessly enter the valley, knowing that the faith in God that has upheld us during life will even now uplift us in death—and take us safely to the warm circle of our Father's arms.
