The KHOF host pastor tells . . .

The True Message of Easter

The True Message of Easter is not just the injustice of the Roman trial, nor the crown of thorns upon his brow, tis not the tears of dark Gethsemane nor the thud of cruel lashes.

The True Message of Easter is not the cries, the nails, the Cross, the darkness. No . . . the True Message of Easter is not the sealed tomb, the posted guard, the stone displaced, the angel hosts nor the empty tomb. No . . htis is not the True meaning of Easter, for all of these only point to the tremendous price that was paid to purchase me. Through the corridors of eternity ring these words—"Who Needeth Not To Offer Up A Sacrifice For His Own Sins", but was offered for You and Me.

I, was crucified with Christ, I, was buried with Him, I, was raised to walk in newness of Life. The True Message of Easter is what happened to me in Gethsemane when blood was shed releasing my will from it's enslavement. What happened to me when he bore the curse by the crown of thorns and delivered me from the bondage of the earth. What happened to me when by His stripes there flowed that crimson stream that loosed me from the bondage of my flesh. What happened to me when he finally cried "It is finished", and gave up His spirit and released mine to know God as My Father. What happened to me, when He rose again and I rose with Him, victorious over death and the grave. The True Message of Easter is what God has done for You and Me.

Meet the Big Three

Earl Johnson is the KHOF Veteran of the Big Three Sacred Music DJ's. Earl is completing his second year 'on the air' at KHOF with 4 years behind him in WMUU, the Bob Jones University Station.

We could well call him EARLY Johnson, since he is the man who 'signs on' each weekday morning at 5:55.

And for that mid-morning seventh inning stretch, relax while listening to MORNING MELODIES at 10:00 to 11:45. Both of these programs are abley handled by our KHOF Veteran DJ, Earl Johnson who says:

Wait upon the Lord . . . Patience is a lesson that must be learned by all. It was a hard lesson for me to learn. But youth is always impetuous. Geo. Bernard Shaw once said: "Youth is a wonderful thing. Too bad we have to waste it on youth!" And he was probably right.

In learning to wait we have time to better evaluate our motives. Am I doing this particular task for the Lord, or for myself? It is a good time to learn Col. 3:23. It was not long after learning to wait that I came to KHOF thru the chance meeting of an-ex college roommate. This is where God would have me to be. "And whatsoever your hand findeth to do; do all to the glory of God!"

The KHOF Sacred Music DJ's

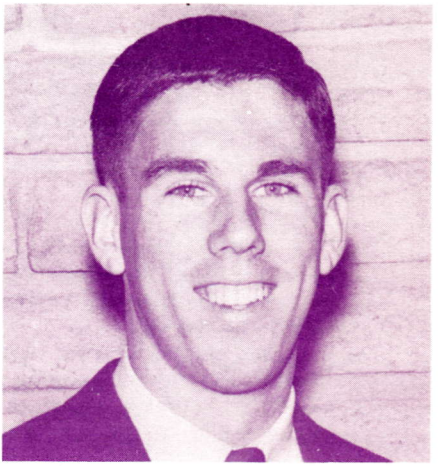
These are the men responsible for "many hours of musical inspiration."

Bill Greenelsh is our 'preacher DJ', not that he preaches on the air at KHOF, but he was chosen as the "Preacher Boy of The Year" at the 1960 Youth For Christ Convention. Bill is pursuing a ministerial course of study at Pasadena College, while 'ministering' nightly behind the mike and at the turntables.

Bill takes you each weeknight Beyond the Stars with heavenly music, the most beautiful music this side of the golden strand. This is your invitation to listen to the KHOF late night sacred music concert feature, our STARLIGHT RHAPSODY!

Why am I working at KHOF? . . .

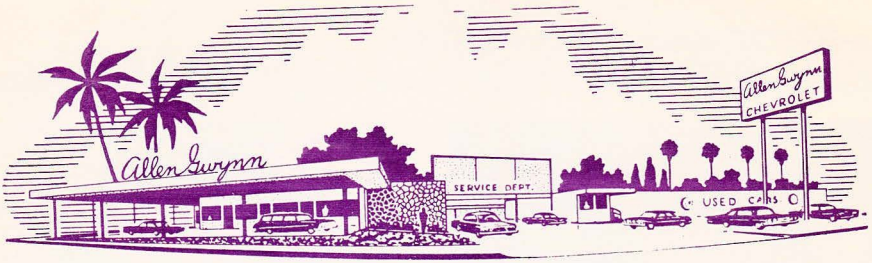
Because I was born into a home that was not Christian; I didn't hear the "Good News" that Christ Jesus lovedme and had actually died for my sins until I was seven years old. My heart is full of thanksgiving for the salvation that I have today in Jesus. From that early morning hour on the day God called me to the ministry everything has been in His Divine providence to lead me this way. And really that's why I'm at Radio KHOF. I'm behind the "mike" because my greatest desire in life is to help others find what I've found in this one called, Christ Jesus.



Hugh McIntyre is the newcomer to the "Big Three" having been with KHOF since the latter part of January. Hugh is a 'natural' radio personality, with a beautiful voice and a sincere desire to serve God in this field. Like a fish in water, Hugh is completely at home in the KHOF Master Control, and does a masterful job with the AFTERNOON SACRED SERENADE from 1:30 to 5:00 each weekday. This is the 'big one' in point of time, three and one-half musical hours every day, and you're sure to hear your favorite selection if you listento Hugh's SACRED SERENADE. and Hugh says of his job at KHOF:

It is a wonderful experience for me to be serving God in this capacity at KHOF. I love Him supremely and seek to do His will daily. I am convinced that it was God's leading which brought me to this station and I thank Him for giving to me this chance to do what I can to further His Kingdom.

While we feel that these are the big three in KHOF, we are reminded that Jesus is truly the Alpha and Omega, our All in All, and it is the person of Christ Jesus that we honor. He it is who is our true guide and director.



AN OPEN LETTER FROM A PLEASED CHEVY IMPALA OWNER

"You have succeeded in spoiling me completely!
I have owned one sort of car after another for the past twenty years—but never before have I owned a Chevy—until now . . . and never again will I have anything else but a Chevy. I am sold on it.

A big thanks for your fine service department. I know I can rely on your keeping my Chevy in tip top shape. And that's pretty important for a woman who doesn't know a Turbo-Fire from a Synchro-Mesh."
